

Configuration des ports

Introduction

Nous allons voir comment configurer les ports du switch

Vitesse

```
Procurve switch 2650(config)# interface ethernet 40
Procurve switch 2650(eth-40)# speed-duplex 100-full
Procurve switch 2650(eth-40)# speed-duplex 100-half
```

Description

```
Procurve switch 2650(eth-40)# name "To switch"
```

POE

```
Procurve switch 2650(eth-40)# power-overethernet
Procurve switch 2650(eht-40)# no power-overethernet
```

Activation et désactivation

```
Procurve switch 2650(eth-1)# enable
Procurve switch 2650(eth-1)# disable
```
